

**July 26 – 30, 2016**  
*"Igniting Courage, Confidence, & Character"*

A hands-on resident camp that focuses on the development of teamwork, self-confidence, and leadership skills. During this 4 night/5 day "deployment", campers will be housed in air conditioned Urban Search and Rescue Tents on the CFD/CMPD Training Academy property. The curriculum provides a safe, dynamic and interactive environment that introduces campers to the fundamentals of firefighting.

Participants will learn skills associated with search and rescue techniques, hose-line advancement, rappelling, ladders and more.

Campers will train along side professional female firefighters

as we break down barriers and stereotypes.

A graduation ceremony and reception for family and friends will be held on Saturday, July 30<sup>th</sup>.

**\*\*\*All necessary firefighting equipment and gear will be provided by CFD.\*\*\***
